DISCOVER THE AQUARIUM “SEA LIFE” IN HANNOVER

**IMMERSE YOURSELF IN A FASCINATING
UNDERWATER WORLD!**

Visit the aquarium „SEA LIFE“ Hannover in the garden „Herrenhäuser Gärten“ and experience a real tropical rainforest with the whole family.

At „SEA LIFE“ Hannover you may experience species from all the continents of the world in more than 40 tanks and aquariums. There are about 2500 inhabitants to discover. Strok a starfish, find out what a green sea turtle loves to eat and how much fish is needed to feed a shark.

With us you will spend an overnight stay in an ideal city location at the main railwa station, including our Vital Breakfast, which is often recommended by guests. On top of that, we will also give you a city information folder as well as a public transport day ticket and tickets for the “SEA LIFE” Hannover.
