Our kitchen team is passionately dedicated to serving you, creating daily changing menus for your lunch breaks. Of course, vegetarian dishes have long been part of our selection, and we're happy to accommodate allergies and intolerances as well (please let us know prior to the event).

Depending on the occupancy of our event area, your conference package includes either a delicious 3-course menu of your choice or a vibrant, abundant lunch buffet that leaves nothing to be desired.

Please note that we can only offer dinner for groups above a certain size. Smaller groups are welcome to enjoy the wonderful cuisine of our partner, Mister Q, located just a 3-minute walk away. The "Modern Chinese Slowfood" in a modern ambiance is sure to impress. And while you're there, why not head over to the Lucky7 Bar next door for a cocktail afterward? This 17-meter-long bar is the longest in Hannover and has produced three Lower Saxony cocktail champions. Highly recommended!
